
Research Designs & Academic Writing

Academic course

Level of course unit: Master

ECTS: 5

Language of Instruction: English

Course Dates: 05.09.-28.10.2022

Course will take place on site at the MCI in Innsbruck

Learning Outcomes:

- Students know the most common research designs in their discipline and learn how to draft their own research proposals. They learn how to structure scientific papers and are confident with academic writing (e.g. citations styles).
- Students should be able to understand and apply different tools to advance their academic writing style.

Course Contents:

“Academic Writing and Research Designs” as an introduction will discuss different forms of data elicitation methods (i.e., surveys, experiments, interventions), structure of research papers and proposals, coming up with research questions, citation styles, and scientific writing.
