An introduction to UniGe

UniGe is ranked top 5 among big Italian universities (20-40.000 students) in terms of international outlook.

*UniGe is one of the oldest European universities. Organized into **5** Schools and **22** Departments. Students can attend one of the **130+** Study Programmes: **18** are entirely taught in English and **1** entirely taught in Spanish.*

Internationalisation is a key factor in the innovation and development of UniGe, which promotes and manages activities that contribute to confirming its international vocation through exchanges of academics and students, academic cooperation agreements, double degree agreements and the recruitment of international students.
